Annual Parents Day

09/2023

The school hosted its annual parents day ceremony. The event is awaited by teachers, students and parents alike. Our students and teachers put in a lot of effort to prepare skits, dances and a fancy dress show. Primary school students showcased their talent and confidence while the senior students exhibited their professional acting skills.

The chief guests, Dr Muhammad Ali Malik: Deputy Secretary Prime Minister's Youth Program and Khawaja Muhammad Usman: President of Tevta were deeply impressed by the quality of our students and infrastructure of our school.

Vocational training Center

01/2024

Munir Arshad memorial School has also partnered with Tevta for a vocational training Center at our premises. Our first batch of girls learned the skills of a beautician and tailoring. It is a proud moment that these girls are equipped with skills to support themselves financially.

School Visits

02/2024

The school receives various visitors throughout the year. Most notably the head of department of Bahauddin Zakariya University visited and addressed the students about education and its benefits.

Prof. Dr. Badar Ud Din, an orthopaedic surgeon visited the school and lectured on the importance of good diet and bone health. The students were intrigued and participated actively in the discussion.
